NCCHC Resources provides expert consulting services for correctional health care systems nationwide.

Our parent company, the National Commission on Correctional Health Care, is widely known and respected for its pioneering Standards for Health Services, national accreditation and certification programs, and premier correctional health care education.

With roots in NCCHC – the nation’s leader in promoting correctional health care quality – NCCHC Resources offers unparalleled breadth, depth, experience and perspective.

NCCHC Resources will put together a team of correctional health care experts to address any sized project or challenge.

• Specialized technical assistance
• Training & education
• Health system assessments
• Accreditation readiness
• RFP/RFQ support
• Health services monitoring

As jails, prisons and juvenile detention facilities strive to deliver constitutional health care, improve quality and reduce liability, NCCHC Resources offers unique expertise from the nation’s foremost leaders in correctional health care.

A nonprofit organization, NCCHC Resources works to strengthen NCCHC’s mission: to improve the quality of health care in jails, prisons and juvenile detention and confinement facilities.

Consulting services
FOR correctional health care systems BY correctional health care experts

773-880-1460 | www.ncchc.org/NCCHC-Resources | info@ncchcresources.org
NCCHC Resources can protect you by minimizing adverse events and healthcare related lawsuits and grievances, often reducing liability premiums.

NCCHC Resources can protect your staff and patients by helping ensure that inmates receive adequate and appropriate health care.

NCCHC Resources can protect public health by helping ensure that chronic illnesses, communicable diseases and mental health issues are treated and controlled when inmates return to their communities.

NCCHC Resources has helped correctional health care systems across the country:

- Charles County Sheriff’s Office, Maryland
